Join us in celebrating Grantville's 150th year!

There will be activities and entertainment at the Memorial Park and at the Grantville Library. Events on the day include music, face painting, animal nursery, jumping castle and food and drinks stalls.

New Grantville history boards will be unveiled on the foreshore and events at the library.

We encourage you to dress up in 1870's themed dress and join us for a family fun day.

BCSC Update

- BCSC councilors reported on the Neighborhood Character report which is open for community input. Currently the government is wanting to limit Grantville's zone boundary and stop the expansion of the industrial zone.
- Shirley Egan has provided various designs for the amphitheatre shelter. These designs are currently being discussed by the GBCA Executive. A suggestion of including solar panels on the roof was also put forward..
- Lucy Dewhurst from BCSC Business Support is looking into a new Business Representative for GBCA.
- Proposed Supermarket development with specialty shop, petrol station etc. has Town Planning approval. Developers will now submit detailed drawings for building approval.
- TGG to complete car park and access road as per Regional Roads Victoria conditions before BCSC can approve permit.
- BCSC suggested flags be displayed on the highway in Grantville for the "blessing of the bikes" event in October since Grantville is the gateway to the Bass Coast. BCSC will follow up on the flags
