

Grantville Business & Community Association

Business Prospectus 2025-26

Promote your business and work with other proactive business people.

Grantville Business and Community Association (GBCA) is a great way to get your business known, network with other business owners, find out about community affairs and take part in local and regional marketing opportunities.

GBCA is a non-profit organisation dedicated to the prosperity of our region by providing services, information and networking for members through which your business can directly benefit. The GBCA annually hosts 'The Great Witch Hunt' in October, the Family Fun Day and Grantville Christmas Carols in December.

GBCA represents both small and large businesses in the region and is able to advocate members' views to government and industry bodies. You are welcome to join the committee and attend meetings and have direct input into our future direction but you are not obliged to do so.

Full Business Membership:

\$200

Annual membership of \$200 payable in July.

- Your business DL size brochure or business card displayed on the information wall inside Endeavour Petroleum in Grantville
- The option to also put up A4 posters about your own business events on the information wall
