

Grantville Business & Community Association Community Prospectus 2022-23

Your invitation to join our association for residents and ratepayers

The Grantville Business and Community Association (GBCA) is a non-profit group that represents residents, ratepayers and businesses in the Grantville region.

The GBCA aims to promote and further our region and act as a conduit to local government for matters concerning the community and local businesses.

The GBCA hosts annual community events such as the Grantville Christmas Carols, The Waterline Expo and The Great Witch Hunt.

Advocacy

The GBCA also liaises with other peak bodies and community groups, like Parks Victoria, Vic roads, Westernport Water, Telecommunications companies and other major service providers on your behalf.

The GBCA needs a strong membership base and is asking for all residents and ratepayers to consider becoming a member of the Association.

Strong community representation

Strong community representation enables us to enjoy and enhance facilities like the Grantville Transaction Centre, Library Services, Ambulance Station, Bendigo Bank, Medical Clinic, Local Bus Service, Memorial Park including Public Toilets, BBQ facilities and Fitness Station, and much more.

Grantville is growing

Grantville is going through a substantial growth phase and in order to keep ensuring facilities are provided and supported to keep pace with this growth we need a strong Business and Community Association. In order for that to be successful, we need you to join, NOW!

Membership

\$15 per person, per year including voting rights. You may choose to become an active committee member and have direct input into local issues through committee meetings, public meetings and the annual AGM. Anyone, including additional family members, partners and non-members are welcome to attend our open public meetings but only paid members will have voting rights.

Joining and further information is available from
